OFFICE OF THE DIRECTOR

14 August 1972

The Honorable William S. Moorhead
Chairman, Foreign Operations and
Government Information Subcommittee
Committee on Government Operations
Washington, D. C. 20515

My dear Mr. Chairman:

This is in reply to your 15 July request for information concerning each company, individual or organization which handles advertising, public relations, public information, publicity, or similar activities for this Agency.

As you know, this Agency is concerned with foreign intelligence and the National Security Act of 1947 expressly prohibits the assumption of any domestic responsibilities justifying the kind of activities to which your letter adverts.

It is hoped that this is responsive to your needs, as we are pleased to be of assistance wherever possible.

Sincerely,

151

Richard Helms
Director
